**ELECTION OF SPECIES**

Sir:

In an election requirement dated 12/29/2004, the Examiner required election under 35 U.S.C. 121 of a single disclosed species. Applicant provisionally elects, with traverse, Species I, corresponding to Figure 4. The claims readable on Species I include: 1, 2, 7, 8, 11, 12, 13, 16, 17, and 20.

Applicant traverses this election requirement on the grounds that Examiner unintentionally omitted FIGS. 1-3 from the listing of Species. In a telephone interview with Examiner on January 11, 2005, Applicant and Examiner reached agreement that FIGS. 1-3 depict an illustrative example of the invention containing most of the claimed elements. FIGS. 4-8 depict optional thread configurations for the example of FIGS. 1-3. Applicant and Examiner specifically discussed FIG. 4 and that it is similar to FIGS. 1-3 in that it includes a spherical thread crest and a spherical thread root. Examiner indicated tentative agreement that FIGS. 1-4 are appropriately included in Species I. Applicant respectfully requests that FIGS. 1-4 be included in Species I. The claims that read on FIGS. 1-4 include: 1, 2, 7, 8, 11, 12, 13, 14, 15, 16, 17, and 20.
